RE: TECHNICAL REFERENCE FOR MR. DAVENDER JAIN

The purpose of this letter is to provide a professional client reference for Mr Davender Jain, Executive Director of Ezy Solutions, based West Pennant Hills, NSW 2125 Australia.

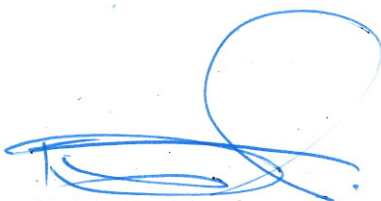

Between April 2013 and February 2014, through the expert assistance of Mr Davender Jain, the Telecommunications Authority of Fiji established a Telecom Sector Monitoring and Evaluation System for Fiji. Mr Davender Jain was very instrumental in this development, right from concept through to the implementation of the system.

Mr Davender Jain also provided the expertise needed by the Authority in the review of impact of the regulatory tools that has been implemented by the Authority on the Fijian telecom sector. That has enabled the Authority to forecast necessary concepts of policies and regulations that needs to be developed or updated.

After the completion of Mr Davender Jain's contract with the Authority, the Authority is in a position that is in line with the market developments, and this has enabled the Authority to better regulate its sector.

During this assignment, Mr Davender Jain showed good craftsmanship and professional attitude. Mr Davender Jain has proven to be a subject matter expert in monitoring and evaluation system development and legal and regulatory review. The work he has performed has been of great value and has significantly contributed to the development and implementation of a monitoring and evaluation system for the Telecommunications Authority of Fiji.

Yours Sincerely,

Mr Tevita Navila

for Telecommunications Authority of Fiji
